WEDDINGS 2010-2011

**Thank you for requesting more details on our wedding photography packages and congratulations on your engagement!**

We understand looking for a wedding photographer can be a little daunting as there are so many different choices and styles of photography around - we've been there ourselves!

We don't like to make things complicated, and are happy to let you find out more about our services and products so you can compare us with other photographers.

This brochure should help you find out a bit more information on how we work, what we do for you on the day and after your wedding, as well as giving you an idea on pricing.

However, if there's anything you're unsure of don't hesitate to get in touch.

## OUR BOOKS & ALBUMS

If you choose to book us for a Full Day your package will include a **12"x9" Coffee Table Book** at no extra charge.

This beautiful hard-bound book, encased in its own presentation box, contains 80 professionally printed and bound satin coated pages and is a contemporary alternative to a traditional wedding album. You get to choose which photographs make it to the book and we will design it in such a way to tell the story of your day.

Alternatively, you can choose to upgrade to a **Finao Album**. You get a choice of cover with these beautiful albums, which will stand the test of time to be treasured by generations.

As the hard pages are lay-flat they will be perfect for showcasing all your favourite, dramatic wedding shots from your day without annoying centre-folds. Finao Albums can be custom designed to co-ordinate perfectly with your wedding. (Samples available from Summer '10)

## ARCHIVE DISCS

Both of our packages come with a Royalty-Free Archive Disc for personal, non-commercial use, although the number of shots on this disc varies. It's possible to boost the number of photographs on a disc after your wedding if you think you would like more.

All of the JPEG files included on the disc are post-processed so they look their absolute best. We take a lot of time over all our shots after your wedding and give each image a 'massage'.

You will use your online contact sheet, made available to you after your wedding to let us know which images you would like on your disc.

## FAQs

**Q. How much is the deposit and when is the final total due?**

A. Our deposit is £150 and this goes against the final payment of your day. The final amount is due one calendar month before your wedding, although you can make installment payments using your own secure online personal account if you wish.

**Q. How long will it be before we get to see our pictures?**

A. We aim to get your contact sheet online 3 weeks after your wedding although we will send you taster images before this.

**Q. We want a Full Day package but we don't need prints or a book. Can we get a discount?**

A. Our packages are fixed as a base so you won't get any discount if you choose not to have everything within them. Instead, you can order a Half Day package and add on separate coverage or items you need. Please ask for a full price list if you need this.

**Q. Do you shoot outside of the Dorset/Hampshire?**

A. Absolutely. For shoots further than 50 miles from Bournemouth we may charge mileage or extra accommodation, but we are always willing to travel. For weddings abroad you will only need to cover the cost of our flights.

**Q. Do you have Public Liability insurance?**

A. Yes. Please feel free to get in touch if your venue requires a copy of our certificate.

Please don't hesitate to get in touch with us if you need any more information or if you'd like to arrange a consultation to talk through your requirements in more detail.
